## A. PREFACE

After some research in the Allegany County Courthouse records, the General Index to Miscellaneous Instruments (Vol. A to J and Vol. K to Z) was found and it was in that first volume that the following records for the Cumberland Coal & Iron Company were revealed.

Apparently the Cumberland Coal & Iron Company did not buy very many new boats. The first six boats they purchased by paying the "builder's lien." For the rest of the mortgages, the boat owner owed the Company money, ranging from \$576.58 down to \$150.00, and used their boats as collateral for the loan. Today we would call it a home equity loan. The benefit to the boatmen was that they had first choice at loading coal from the Company in Cumberland. The Company gained boatmen committed to freighting their coal.

In the "Registers Issued to Boats to Navigate the Chesapeake and Ohio Canal, 1851 to 1861" we find that the Cumberland Coal & Iron Company did register many boats with themselves listed as Owner. But those purchases were not listed in the General Index to Miscellaneous Instruments (Vol. A to J) under their name. When we find the answer, we will revise this compilation. For now, this compilation may be of help to families looking to find the name of an ancestor's boat and perhaps some insight into the trials and tribulations of that ancestor. We suspect that the last six mortgages were in fact paid off; descendants please send confirmation.

Sworn before:

Andrew Gonder, J.P.

Allegany County Courthouse, Cumberland, MD, Deed Book 14, p 320, 3/4/1856.

At the request of the Cumberland Coal & Iron Co. this Mortgage was recorded March 4th 1856.

This Indenture made this fourth day of March in the year of our Lord one thousand eight hundred and fifty six between Peter B. Petrie of Allegany County in the State of Maryland of the one part and the Cumberland Coal and Iron Company, a Corporation incorporated by the General Assembly of the State of Maryland of the other part, whereas the said Peter B. Petrie stands bound unto the said Cumberland Coal and Iron Company, upon his single bill bearing even date with these presents in the sum of five hundred and seventy six 58/100 dollars payable to said Company, eighteen months after the date thereof, with interest from date which said single bill with the interest thereon, the said Peter B. Petrie has contracted with said Company to pay in manner following, that is to say that the said Peter B. Petrie has contracted with and severally binds and obliges himself to run the Canal Boat "Albany" in freighting for said Company, coal from the Town of Cumberland to Alexandria, Washington City or Georgetown or such other place on the Chesapeake and Ohio Canal as said Company shall designate; and will commence said running as soon as the Canal opens, and shall freight coal constantly and exclusively for said Company of the assigns of said Company, and for no other person or corporation and out of each trip of coal so freighted shall pay the said Company thirty dollars on account of the debt and interest aforesaid; the rate at which the said Petrie is to do the freighting aforesaid is to be at the rate at which a majority in quantity of the coal shipped during the respective seasons, shall be shipped upon the Canal, to the respective points of designation. And it [is] further understood as part of the terms of said contract that the whole amount of said single bill with the interest thereon shall be then paid by the said Petrie, in eighteen months from the date of these presents, otherwise the balance then remaining due shall at the option of said Company or its assigns be payable in money and not in freighting as aforesaid. Now therefore this Indenture Witnesseth that the said Peter B. Petrie, with a view of securing to the said Cumberland Coal and Iron Company the payment of the aforesaid single bill which is drawn upon paper duly stamped according to the Law and also for securing the performance of the contract of said Petrie in relation to freighting hereinbefore recited and the performance of the condition hereinafter stated, in each and all their parts hath granted, bargained and sold, and by these presents doth grant, bargain and sell, alien and convey unto the said Cumberland Coal and Iron Company the Canal Boat "Albany" its rig and furniture. To Have and To Hold unto the said Cumberland Coal and Iron Company, its successors and assigns forever. Provided nevertheless and it is hereby declared to be the true intent and meaning of these presents, and of the parties hereunto that if the said Peter B. Petrie, shall well and truly, as soon as navigation opens on said Canal, commence to freight coal for said Company upon the terms hereinbefore stated and shall faithfully, diligently and constantly freight coal for said Company or its assigns without any unnecessary or unavoidable delays and shall well and truly pay to said Company, the sum of thirty dollars out of the proceeds of each trip as hereinbefore stated and shall within eighteen months from the date of these presents pay and satisfy in full the balance of principal and interest due on said single bill, in money if the same is not fully paid by freighting as aforesaid within the time aforesaid and shall in all other respects fulfill and discharge his agreement as hereinbefore recited, then this instrument of writing and every matter and thing therein contained, shall cease and be utterly null and void, anything herein contained to the contrary thereof in any wise notwithstanding. In testimony whereof the said Peter B. Petrie hath hereunto subscribed his name and affixed his seal, on the day and year first above written.

Signed, sealed and delivered in presence of:  
J. B. Widener.

Hale" and "Rebecca Henderson" exclusively during the spring and summer of 1857 and until the above sum with interest from the date hereof is fully paid, and that the said Company should retain out of the freight money which shall be payable by them to said Taylor out of each trip of said Canal Boats the sum of twenty dollars to be accounted to said Taylor on the above indebtedness until the retentions so made shall amount to said sum of two hundred and fifty dollars, and the interest that may have accrued thereon that then if the retention of twenty dollars on each trip of said Canal Boats shall amount, previously to October 1st 1857 to the sum of two hundred and fifty dollars and whatever interest may have accrued thereon, then these presents shall be void; and provided also that in default of payment, the said Cumberland Coal and Iron Company, its agent, attorney or assigns may sell the above mortgaged property for cash in the Town of Cumberland in front of the St. Michael Hotel (having first given two weeks notice of such sale in some newspaper printed in the Town of Cumberland, and of the time, place and terms thereof) to the highest bidder at public sale.
