

**REGISTER OF BOATS EMPLOYED ON THE
CHESAPEAKE AND OHIO CANAL**

FROM
THE CUMBERLAND ALLEGANIAN
&
THE CUMBERLAND DAILY TIMES
CUMBERLAND NEWSPAPERS OF 1874
ALLEGANY COUNTY, MD.

Revised March 2016

The following document was transcribed from *The Cumberland Alleganian*, and *The Cumberland Daily Times*, two newspapers of Cumberland, Md., plus *The Evening Star* and *National Republican*, two newspapers of Washington, D.C., for the year 1874. *The Alleganian* was a Wednesday only newspaper and so there is some duplication with the Wednesday edition of *The Cumberland Daily Times*; however, *The Alleganian* did include some additional details on the names of the boat captains, which should be helpful in deciphering which Capt. Hassett took a boat, for example. The two Washington, D. C. newspapers were found on-line and provide information on the many grain boats plying the canal in 1874. This is a companion document to: "Canal Trade 1874" which was transcribed from the same four newspapers.

The use of [brackets] indicates something this editor added to the text for clarity or consistency.

Users who search the newspaper transcriptions *Canal Trade 1874*, will find some variations in spelling. Every effort was made to reconcile the spellings; although not all variations in spellings were reconciled.
